Families and childhood, protagonists of the 1st International Congress on social-educational intervention

02/13/2019 - 12:10

Author: F Pere Tarrés

The congress will take in consideration topics such as social protection policies in situations of poverty and vulnerability of families. Source: Fundació Pere Tarrés.

The congress will compile communications on experiences of social-educational intervention with families with children in a situation of vulnerability. Source: Fundació Pere Tarrés.

There will be keynote speeches and debates with presentations on methodologies based on exemplary cases.

The [Fundació Pere Tarrés](#) is organizing the [1st International Congress on social-educational intervention with families and children in vulnerable situations](#). The congress will take place on **1st and 2nd April** at CaixaFòrum in **Barcelona** (Av. Francesc Ferrer i Guàrdia, 6-8) and aims to be a space to encourage participation and the transfer of programmes and actions with an international approach to **social-educational intervention**. The congress will combine **keynote speeches and debates** with presentations on **methodologies** based on **exemplary cases**.

The congress will set a framework to discuss current topics such as **social protection** policies in situations of **poverty and vulnerability** of families; the **rights of the child** and families in vulnerable situations and educating and **empowering families** from a perspective of resilience. [Registration](#) is open and can be done using [this form](#) until **March 1st**.

Presentation of experiences

The congress will **compile communications on experiences** of social-educational intervention with families with children in a situation of vulnerability. To this end, the organizers invite persons and **organizations with social initiatives**, public and private, to submit their communications so they can be displayed during the two days of the congress. Information on how to submit experiences is available on the [documentation portal](#) until **March 3rd**.
