The closing date for submission of candidatures is 30 April. .

This initiative arises from the intention to support innovative solutions that have the potential to make a major social impact.

[Fundación Mapfre](#) is launching the 1st edition of its **Awards for Social Innovation** backed by **business school IE**. These prizes want to facilitate the growth of initiatives that resolve and improve specific aspects of the world in which we live. They are seeking to work with communities of **social innovators** in the specific geographical regions of Brazil and Europe to identify those projects that have the best chance of effecting **social transformation** and to give them a game-changing boost.

The projects can be submitted in **three categories: Improving health and digital technology** (e-Health), **insurance innovation** and **mobility and road safety**.

The best initiatives can win **visibility to potential sources of finance** and the winners of each category will receive **30.000 euros** from Fundación Mapfre as a donation. In addition, semi-finalists and finalists will receive travel and accomodation expenses to attend events held in connection with the competition.

The **closing date** for submission of candidatures is **30 April**.
